# Using an Open Access Platform to Showcase and Promote Works of Student Scholarship, Creative Endeavor, and Student/Faculty Collaboration

David C. Dunham

Indiana University - Purdue University Fort Wayne, [dunhamd@ipfw.edu](mailto:dunhamd@ipfw.edu)

Follow this and additional works at: [http://opus.ipfw.edu/lib\\_facpres](http://opus.ipfw.edu/lib_facpres)

Part of the [Higher Education Commons](#), [Scholarly Communication Commons](#), and the [Scholarly Publishing Commons](#)

---

## Opus Citation

David C. Dunham (2016). *Using an Open Access Platform to Showcase and Promote Works of Student Scholarship, Creative Endeavor, and Student/Faculty Collaboration*. Presented at SPARC Meeting on Openness in Research & Education, San Antonio, TX.  
[http://opus.ipfw.edu/lib\\_facpres/71](http://opus.ipfw.edu/lib_facpres/71)

This Presentation is brought to you for free and open access by the Walter E. Helmke Library at Opus: Research & Creativity at IPFW. It has been accepted for inclusion in Librarian Presentations by an authorized administrator of Opus: Research & Creativity at IPFW. For more information, please contact [admin@lib.ipfw.edu](mailto:admin@lib.ipfw.edu).

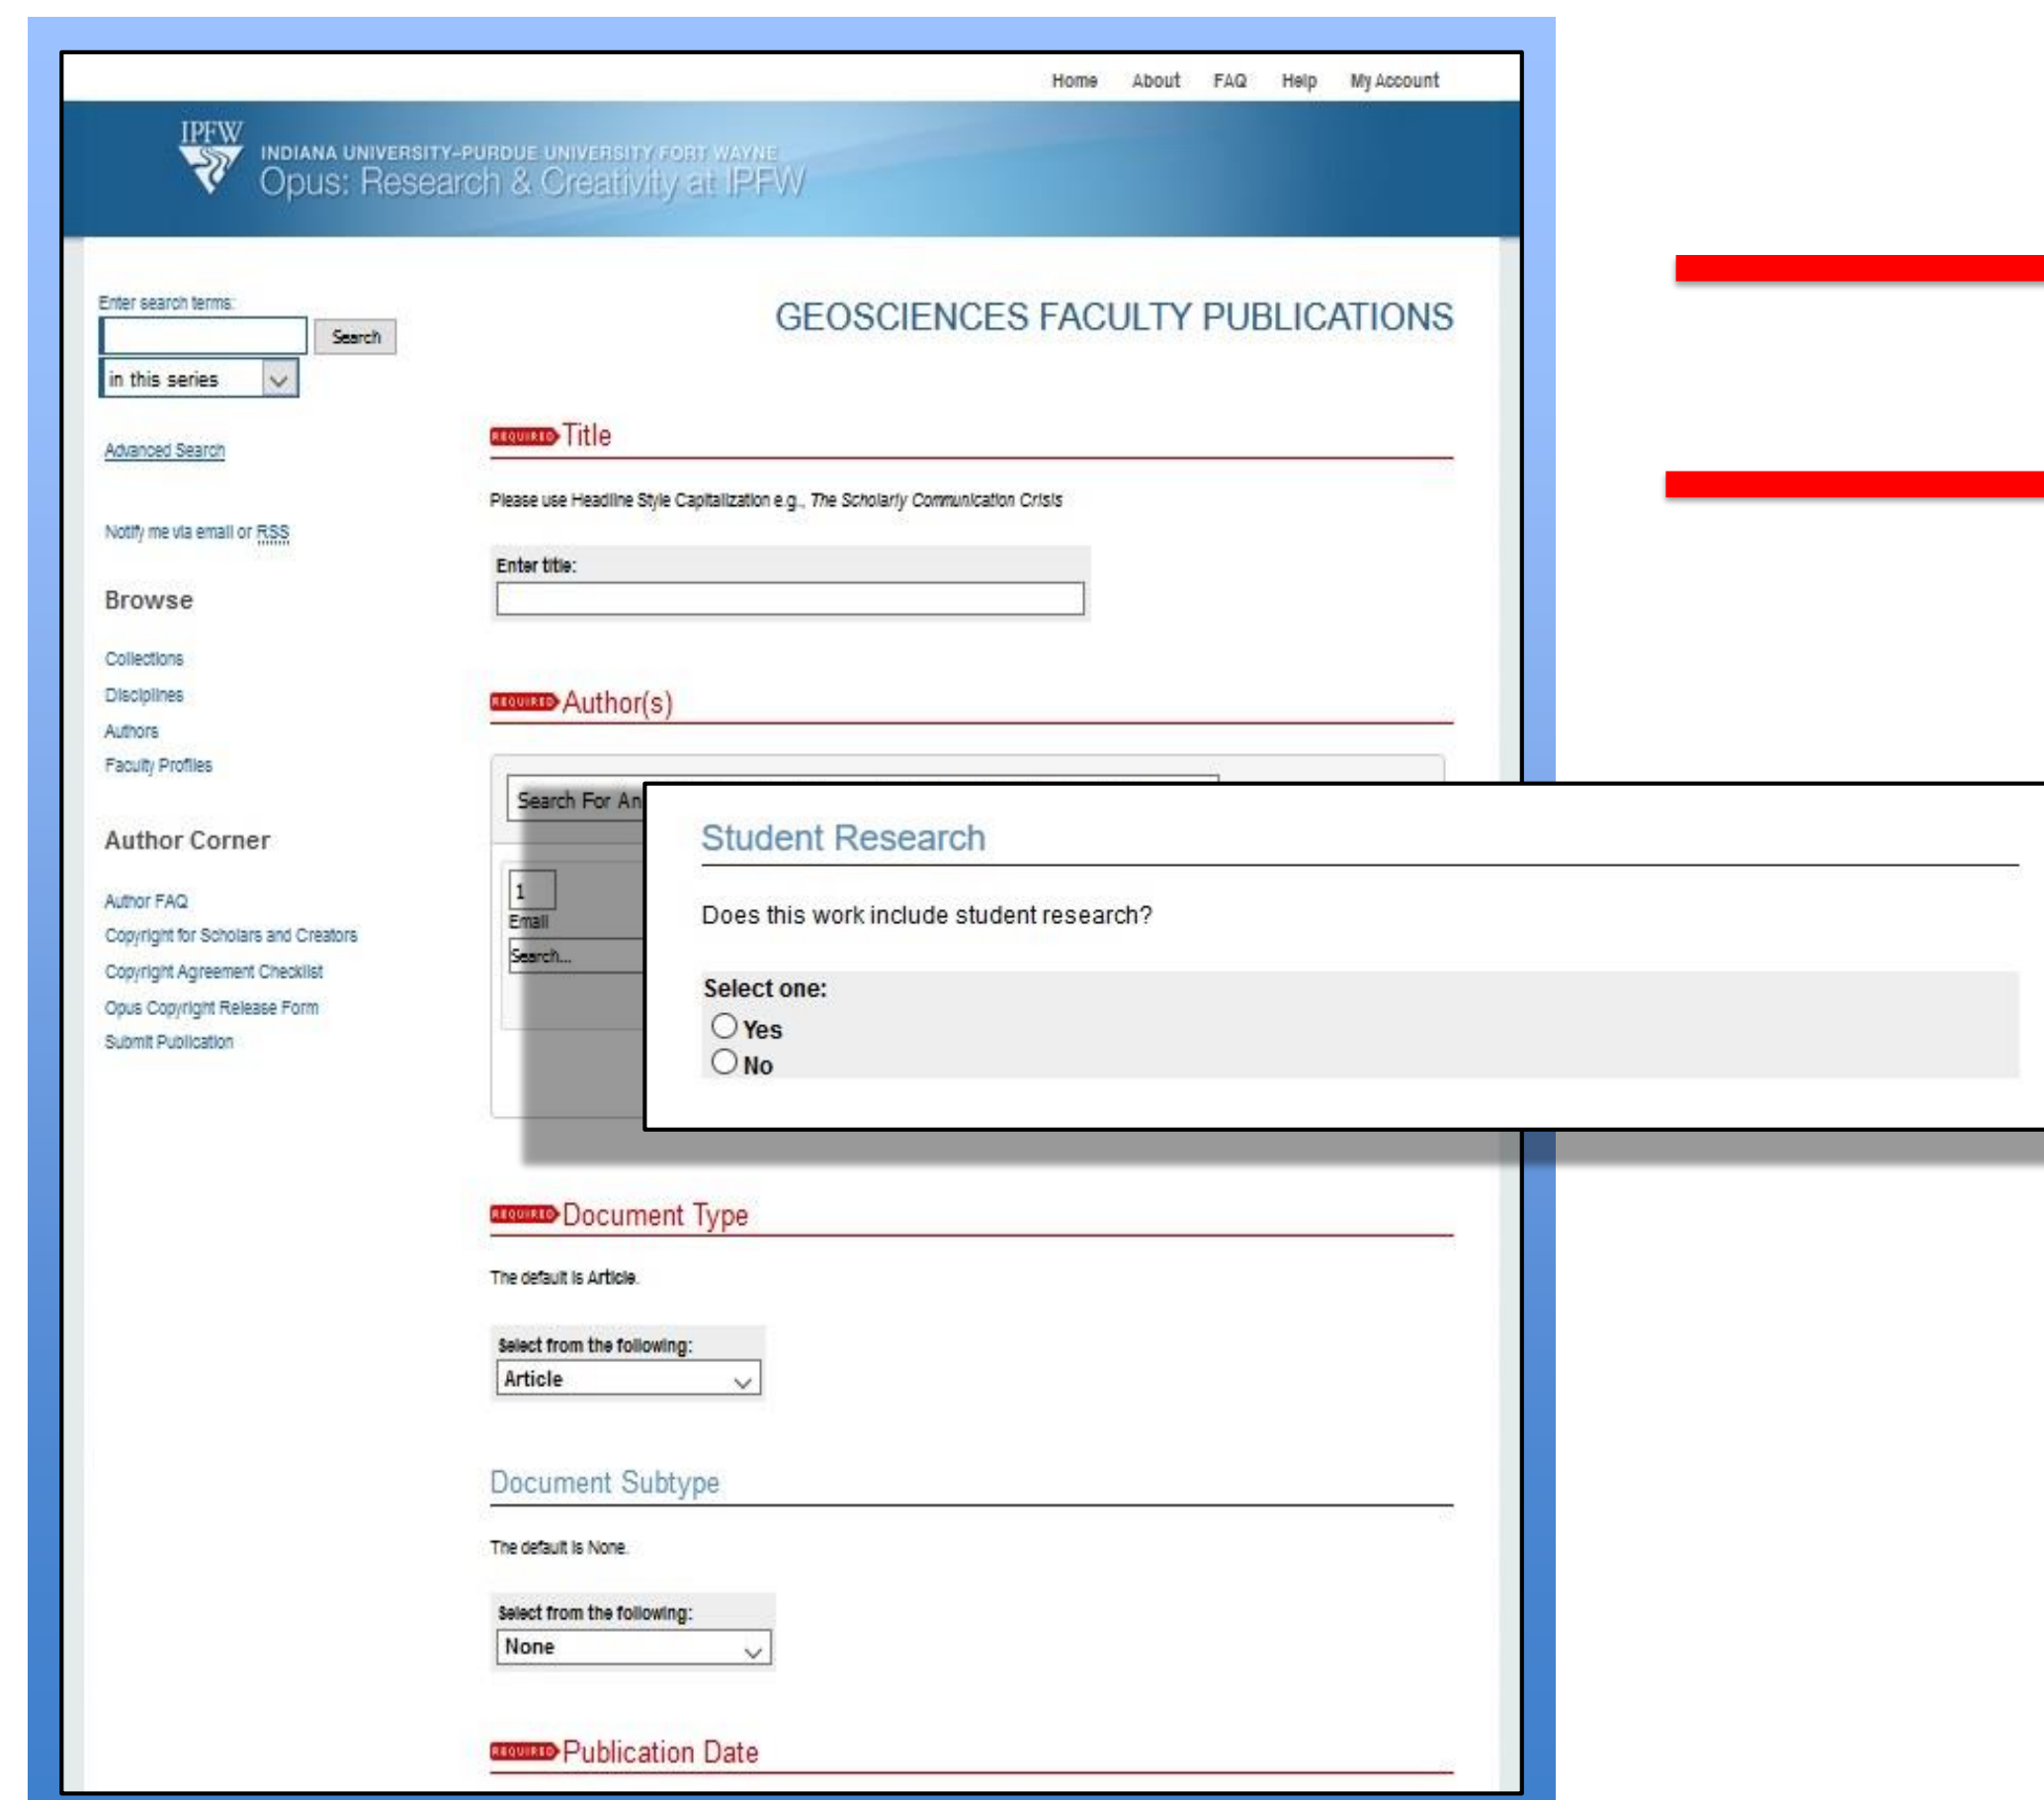

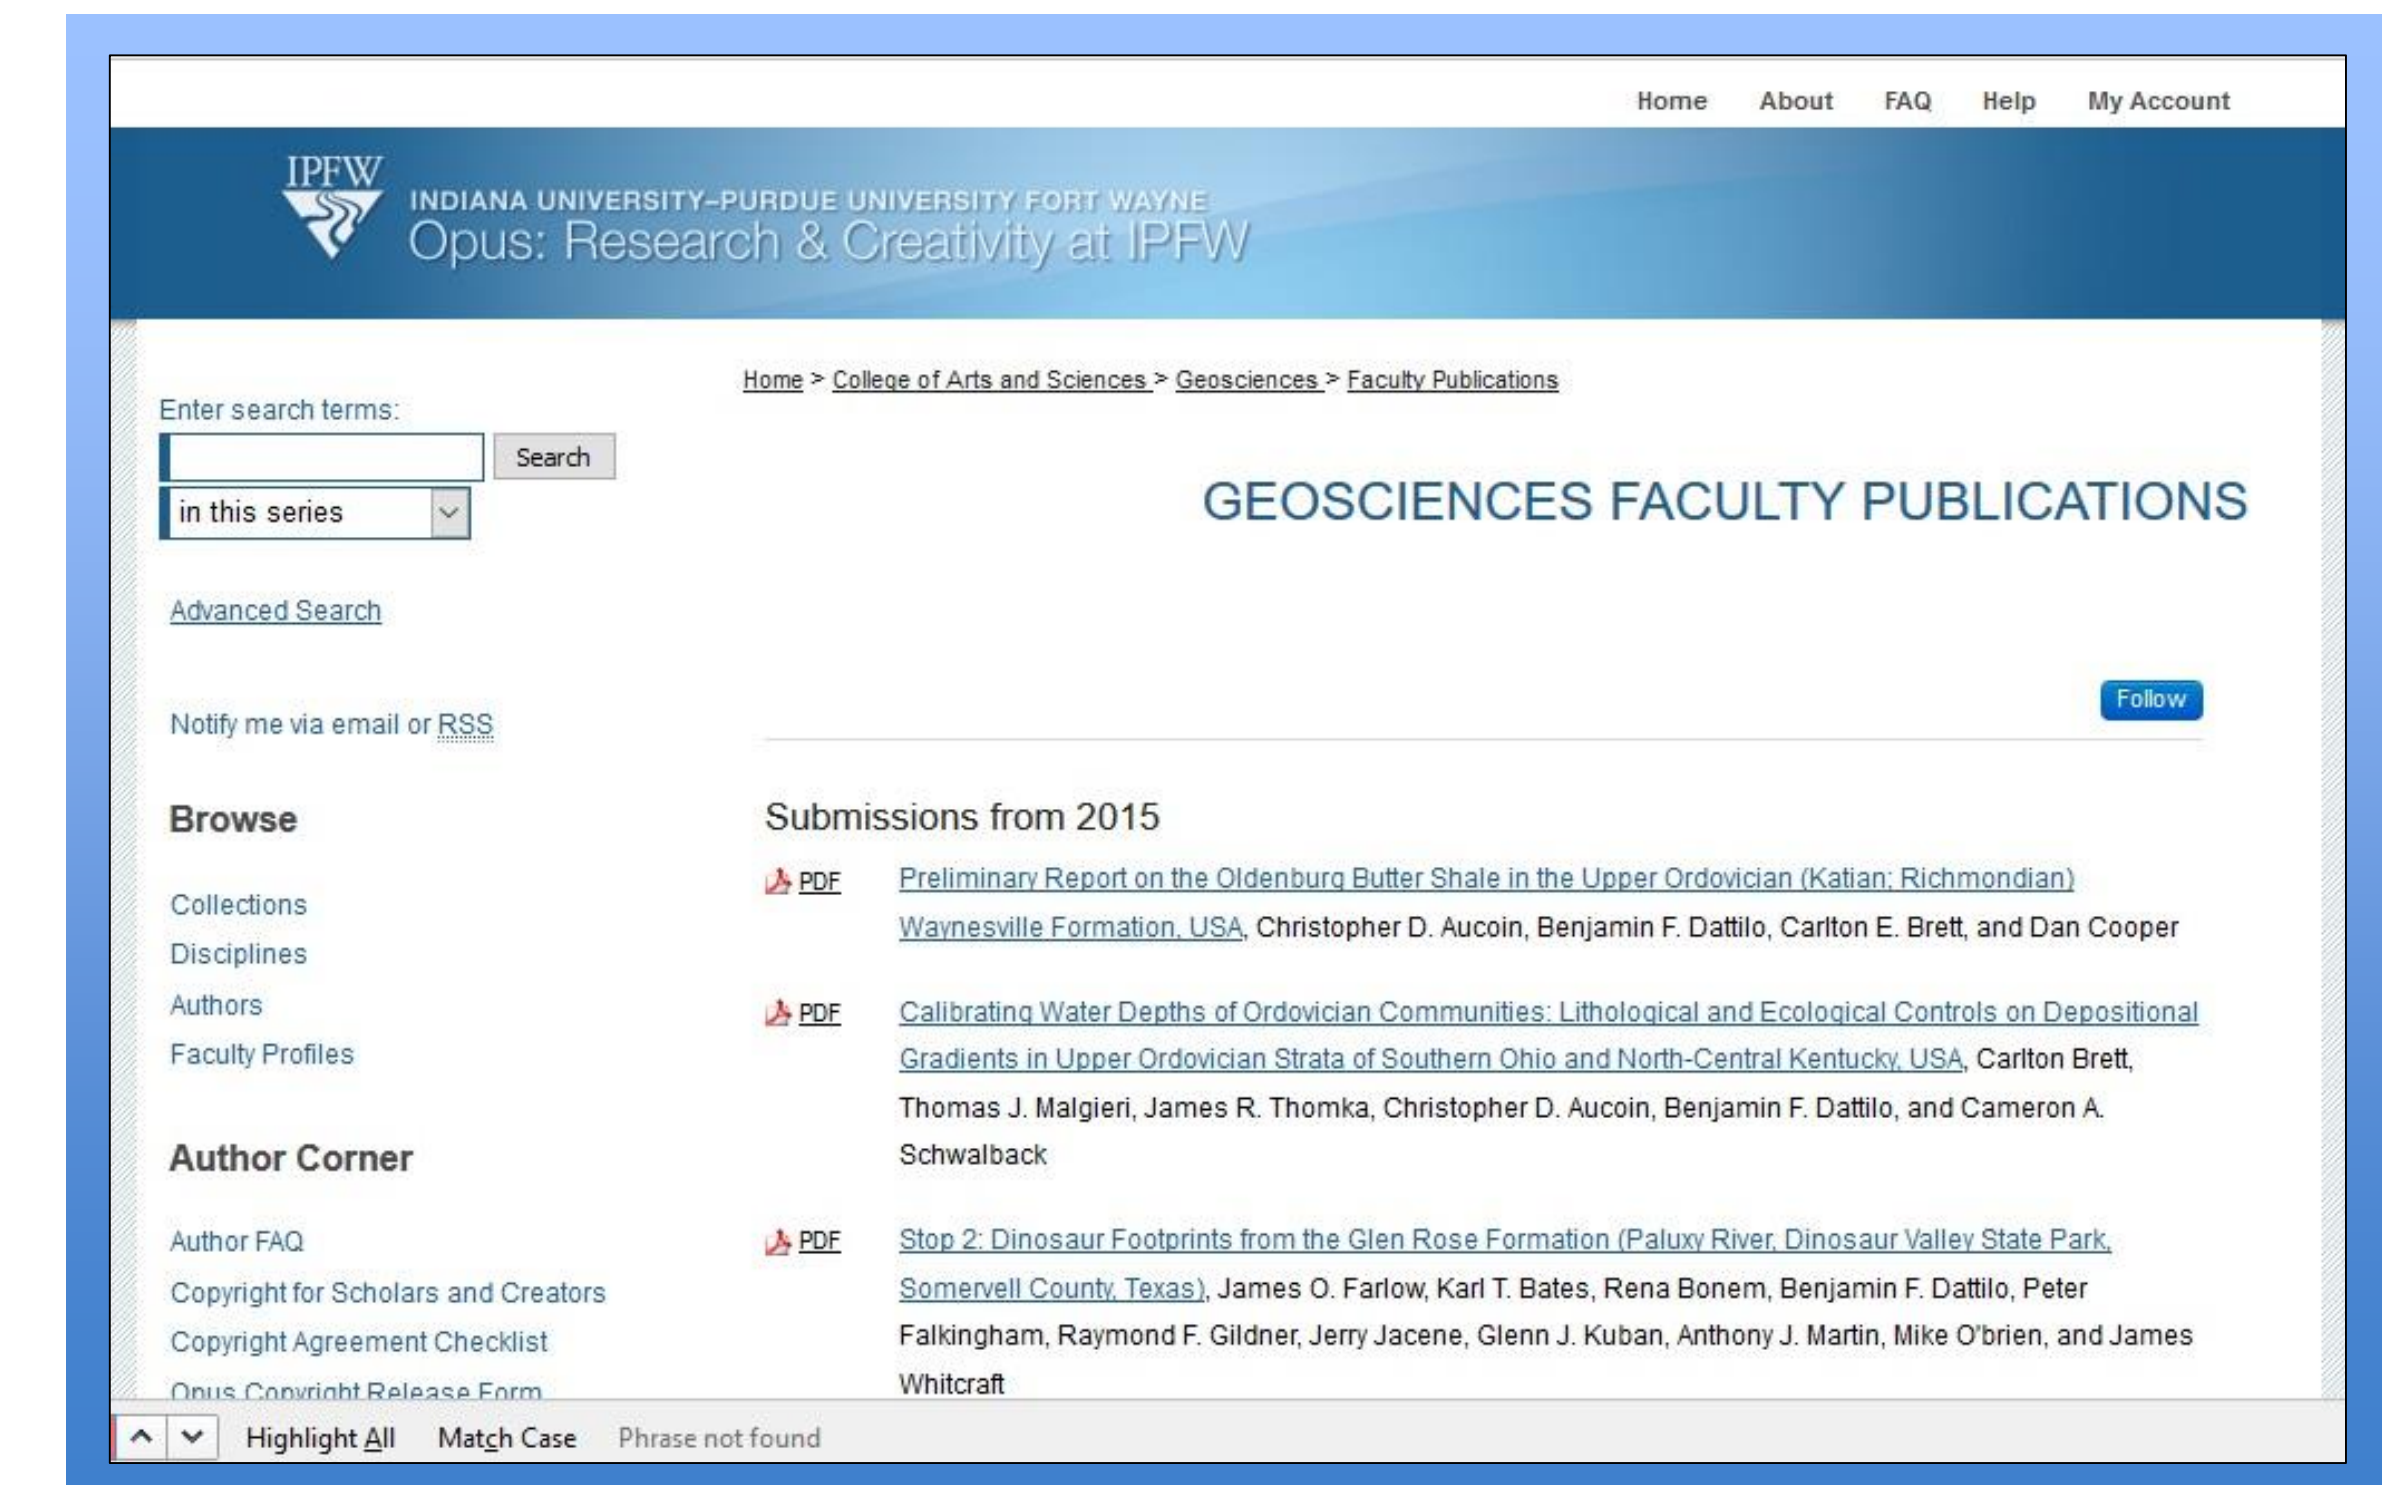

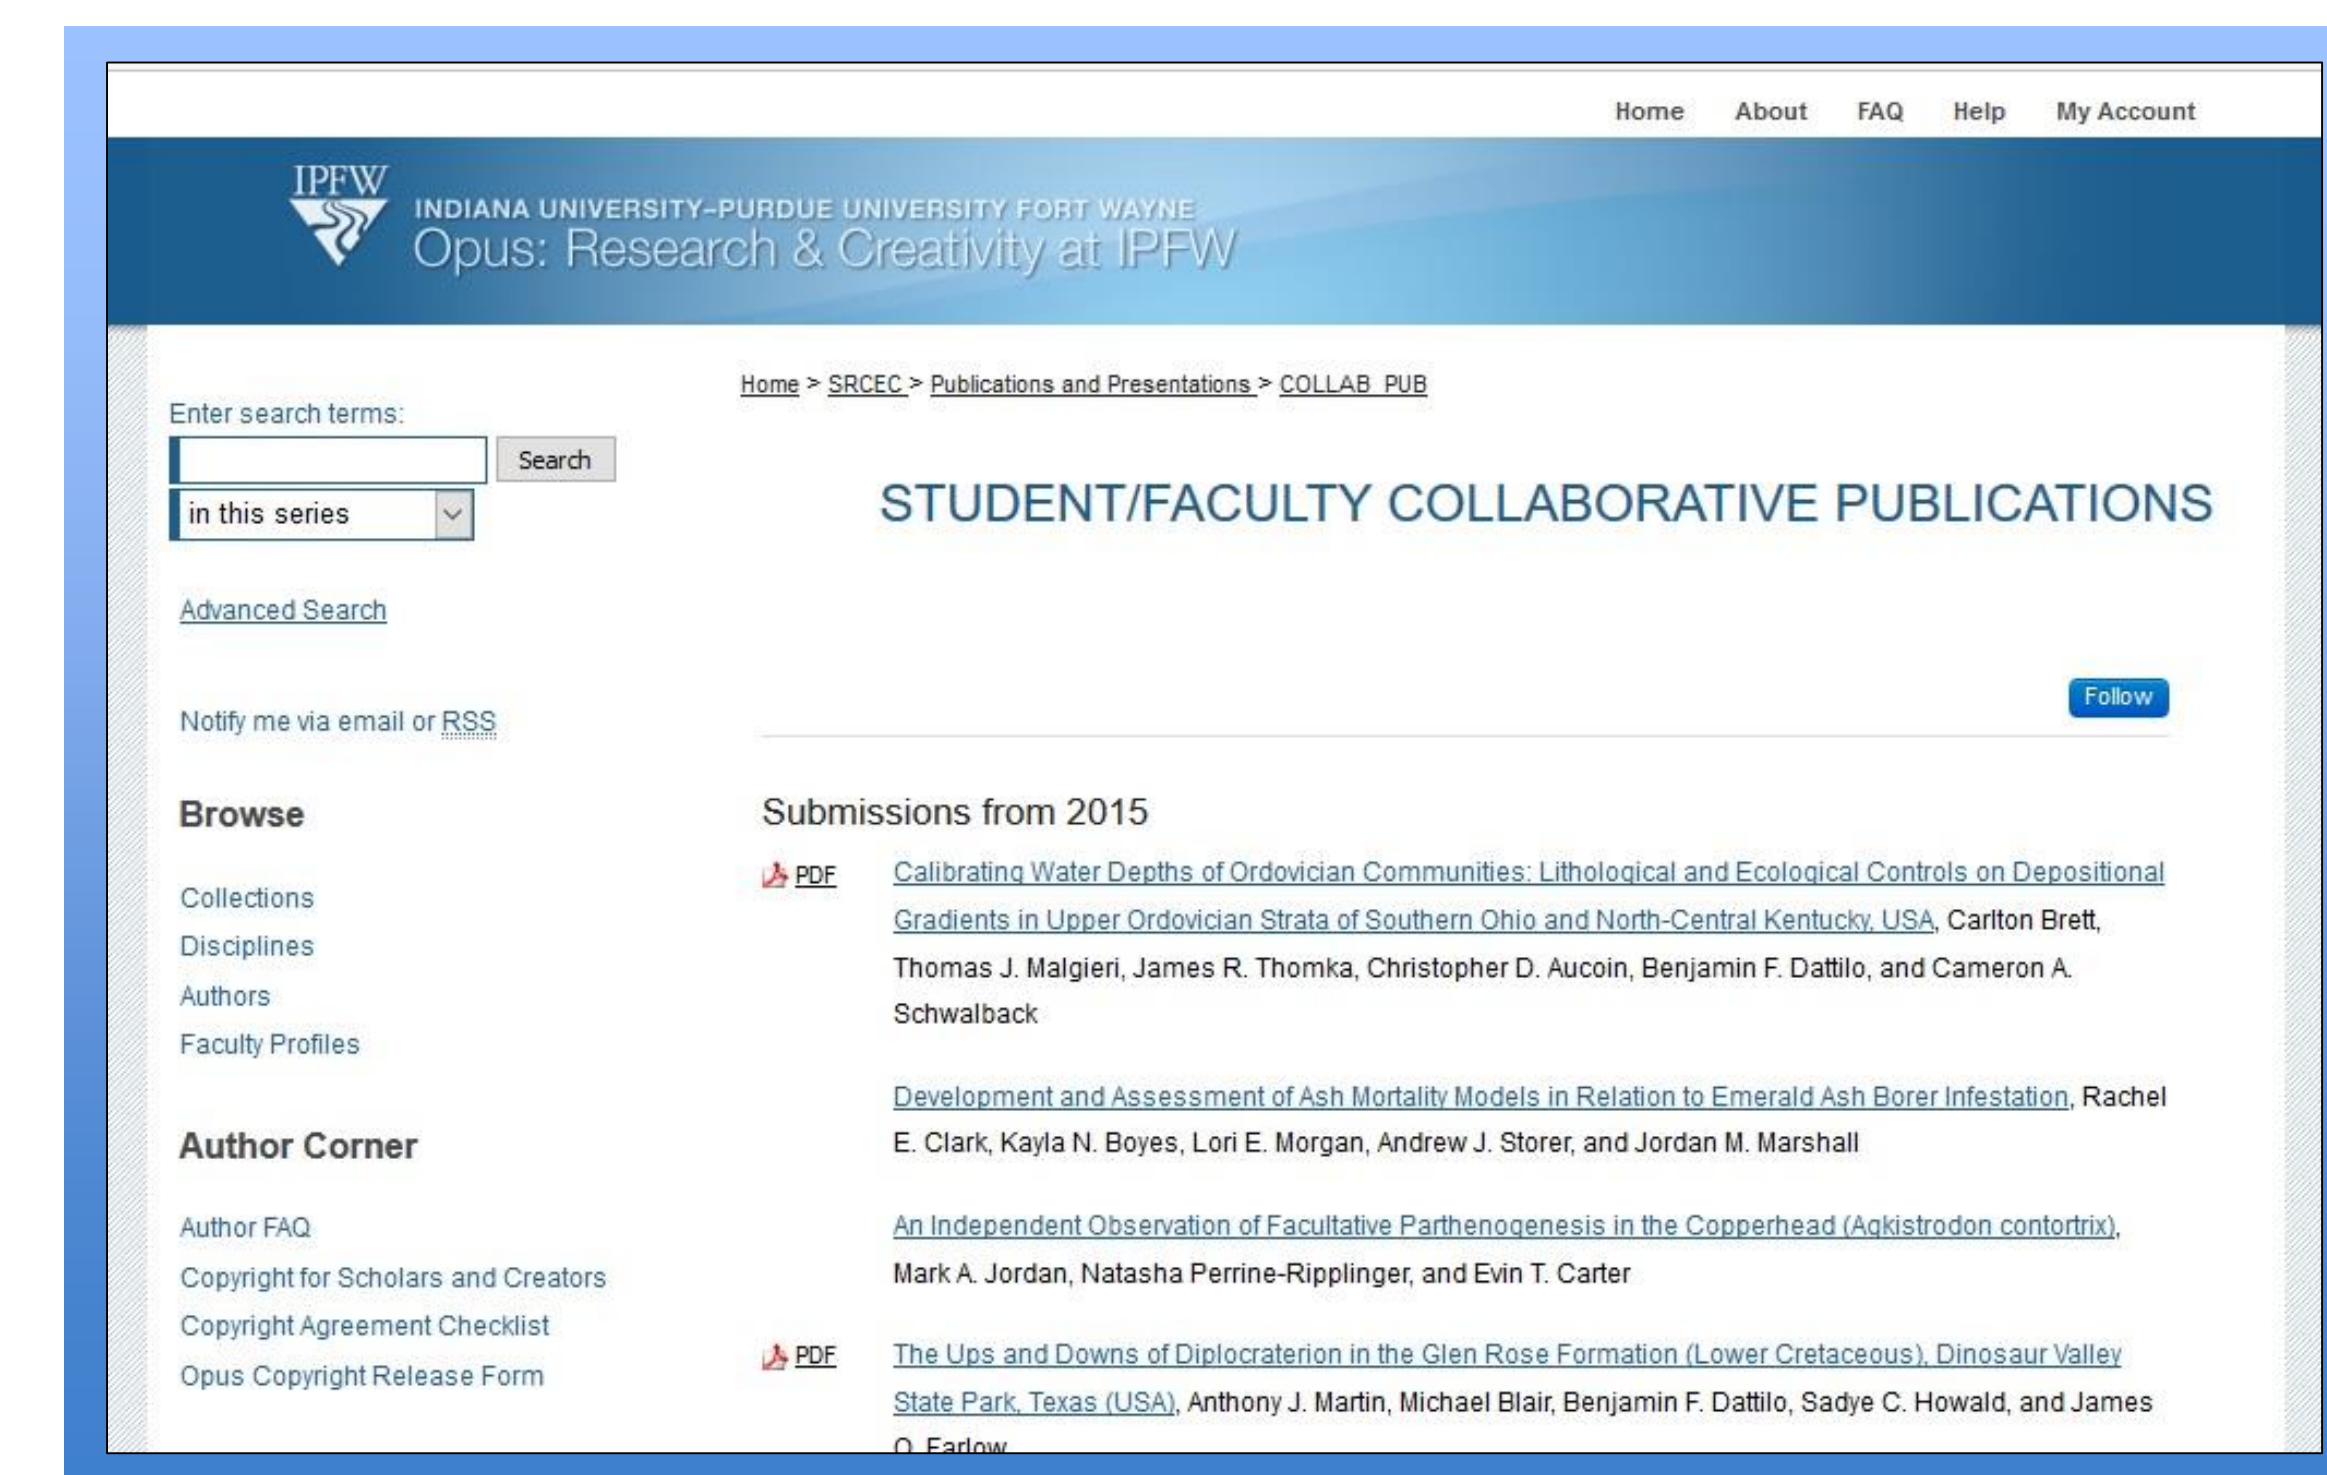

## IPFW Student Research and Creative Endeavor Commons: Showcasing Collaboration

### SRCEC Contents

- Creative Works
- Honors Program
- IPFW Conferences and Symposia
- IPFW Student Journals
- Publications and Presentations
- Senior Projects and Capstones
- Service Learning

If “Yes” is selected for “Does this work include student research?” a copy will automatically flow into the Student/Faculty Collaborative Publications or Presentations areas, showcasing collaborations in one, easily browseable location.
